health services, and housing (in some cases at low cost or without charge). In these respects the welfare state is considerably more extensive in western European countries than in the United States , featuring in many cases comprehensive health coverage and provision of state-subsidized tertiary education.

The history of American social policy also reveals glimmers of a democratic welfare state. Among the most interesting case is the “Community Action Programs” of the 1960s “War on Poverty.” Unfairly maligned at the time and virtually forgotten today, they were remarkable experiments in democratizing the welfare state.
