Maxxforce Dt Engine Problems

Meko Brown May 31, 2020. I have a 2010 International 4300 with a maxxforce engine in it. I bought it from a guy in Baltimore in December 2019. Been having problems with it from the start.

Navistar Settles Class Action Over Faulty MaxxForce Engines

The International MaxxForce DT diesel engine uses high pressure oil that hydraulically actuates the injectors after receiving an electronic signal from the engine control module. This is very basic but those two things caused a problem with the engine in the video. The driver called in said he had no power and needed a spare.

MaxxForce DT Diesel Engine Repairs | Mechanics Hub

We have 13 maxxforce dt engines 2010 and 2012. Four cam failures, one destroyed the engine. We replaced the cams in the other three. The bus that we lost the engine in was one year off of warranty @150,000 km. International said they would replace the engine for \$43,000. I checked with an IC bus salesman, this bus with a good engine was worth \$36,000.

Maxxforce DT troubles - School Bus Fleet Magazine Forums

MaxxForce DT Preventive Maintenance Low Power No Codes. This condition no power no codes is a common problem with diesel engines. So the first steps are simple like checking for obvious problems with the fuel injection and air intake system. The fuel filters and air filter are exactly where you want to start.

International DT MaxxForce Engine Low Power Tip ...

Actually, the 11L and 13L maxxforce engines were Mann Diesels with Navistar emissions technology killing them (advanced egr over scr). The 15L at the same time was a C15 with the same Navistar bull on it. These engines almost put International out of business, they had to go crawling back to Cummins for safety.

How Navistar solved its EGR problems - Truck News

Engine problems are a headache when you need your truck to make deliveries. When your truck is down, it can't make money. In this video i ran into engine pro...

Maxxforce engine issues | IPR valve replacement - YouTube

We have 10 MaxxForce DT engines in our fleet and 3 of them needed inframes because #6 had zero compression caused by the leaking EGR cooler contaminating the engine oil and obviously washing down the oil on the cylinder sleeve but why just #6? This was the exact same failure on all 3 engines.

Goodbye Maxxforce - Dally Diesel Dose

Typically when you get the "Electrical Fault" message and the problems you are describing it is not the ECM but the "Clean" power circuit. That is the wiring from the batteries to the ECM relay. Look in your battery box at the harness with the 3 fuses. Pull each fuse and look for discoloration in the sockets and pins or melted plastic.

07 epa Maxxforce dt -Faulty ecm ?? - School Bus Fleet ...

Possibly engine ingesting oil through the turbos! would pull the pipes at the high pressure turbo outlet going to the charge air cooler to see if there is any oil present... If there is, then I would continue by checking the other side of the charge air cooler going into the engine and see if any oil there.

I have 2012 International with maxxforce have problem ...

If the DPF is allowed to become over- full, a serious engine problem has occurred, the red STOP ENGINE lamp will illuminate, and the engine may shut down soon. The operator must pull the vehicle safely off the roadway, turn on the emergency flashers, place warning devices, and STOP THE ENGINE. Do NOT use Parked Regen, call for service.

MaxxForce Aftertreatment

According to CQJ Digital, lawsuits filed against Navistar-International, the company that makes MaxxForce engines, claim multiple problems with the MaxxStar engines that Navistar concealed from buyers. The lawsuit claims that the engines could not handle the heat and pressure they generate, causing exhaust leaks and EGR cooler failures.
