The Coming Swarm Ddos Actions

While there may be no easy answers,
"The Coming Swarm" is a landmark
contribution to a conversation that
needs to be initiated right now.--Douglas
Rushkoff, author, Present Shock and
Program or Be Programmed While DDOS
actions have only recently entered the
public consciousness, they have a
vibrant history in the realm of political
activism.

have a vibrant history in the realm of
political activism.

The coming swarm : DDoS actions, hacktivism, and civil ...

The Coming Swarm is not a book about DDoS activities in general. As Sauter notes, “DDoS is a popular tactic of extortion, harassment, and silencing” (6): its most common uses come from criminal organizations and government cyberwar operations. Sauter is not interested in these kinds of actions, which encompass the vast majority of DDoS uses.
